President's Notes

By PeeWee Forck

Fellow LIR Members:

Happy New Year for 2011! (Gosh! That even feels odd to write.)

Another year has started, making this the 19th year for Learning in Retirement. LIR has touched so many lives here in Mid-Missouri. We want to thank the foresight of the people involved for starting such a wonderful organization, especially Dr. Gary Scott, the founder.

Maybe I need to introduce myself. I am Mike Forck (my friends call me "PeeWee"); and, believe it or not, I'm the President for 2011. (I don't believe it.) I have been married to Mary Jane for almost 42 years. (She has tolerated me; now you all will have to for the next year.) We have three children, Keith, Kelly, and Kim, and 10 grandchildren. The oldest grandchild was 10 when the last one was born 2 years ago. They all make a very active and noisy holiday when we all get together. I have been a farmer all my life, dairy until 1996 and then grain and cattle, which we still are involved in with our two boys. I've lived in the same house all my life except for the time I was in the army. I've been on numerous boards and organizations and was County Commissioner for Cole County for 14 years until two years ago. All in all, we have had a wonderful life and have met some great people. Cole County and the surrounding area have so many generous and caring people.

So what's up for this year? First of all, I will try and follow Barbara Swanson's leadership; and let me tell you, that will be a hard act to follow. We will try to keep all current activities intact and look forward to starting some new ones. It is your organization, and it is up to you to keep the ball rolling. I encourage everyone to serve on committees and voice your opinions. If you don't like the way things are going, let me know; or, better yet, get involved. You will get so much more out of LIR; the more involved you are, the more you will like what is happening.

So, in closing, let me just say we have a great organization. I will try to run the meetings and keep it on the path to the future. It is your organization, and your involvement will be the fuel for the future. There are so many more activities we can try and hopefully succeed at; if not, we can say we had fun trying. So come on. I will lead. All you have to do is tell me which way to go! PeeWee Forck

I look forward to our continued friendship as we participate in the great offerings of LIR!
