President's Remarks

By Dr. David Linsenbardt

Hello LIR members:

What a great year we are having. Membership continues to increase and we are now at 366 members. As usual, we will gain several more members at the summer membership meeting. We welcome them.

Because of membership increase, the curriculum and travel committees have worked diligently to offer additional trips and additional classes. All this requires significant effort and people continue to be needed for the curriculum and travel committees. So if you have energy and expertise in either of these areas, please volunteer.

Some problems have been encountered. It was necessary to purchase a new computer, as our old one was no longer functional. We had considerable difficulty transferring data from the old computer to the new one, but it was finally accomplished.

Our office manager resigned for a better position and it was necessary to hire a replacement. (Hopefully this will be done by the time you get this newsletter.)

Please plan to attend our summer membership meeting in July. We will be electing three new board members and you will enjoy a wonderful meal. Our membership committee makes all of these arrangements for us.

As we continue with our programs for the remainder of the year, let's all get behind our board and make this great organization an even better one.

Dr. David Linsenbardt

When hot summer days drive us inside, what better way than to find a "cool" venue where you can sit back, relax and listen to soothing music. Our Summer Membership Luncheon Meeting can make that happen! A local quartet, the *Pitch Pipes*, who have been entertaining audiences since 2007 will share with us a variety of music including barbershop, gospel and favorites from the past.

The Membership Meeting will be held on Wednesday, July 16, 2014 at the St. Martin's Knights of Columbus Hall on Route T. Registration will begin at 11:15 with a catered luncheon to follow at noon. Pre-registration (form enclosed) is required for this event along with the prepaid lunch cost of \$10.00 for members and \$15.00 for non-members.

After lunch and our entertainment, President David Linsenbardt will conduct a short business meeting followed by descriptions of upcoming trips, courses and clubs. Special guests will be the ROTC and LIR/LU student scholarship winners and presenters of LIR courses during the past year.

Displays and sign-up on upcoming trips, courses and clubs will be available before and after the luncheon meeting. Door prizes for free courses will also be given away at the conclusion of the meeting.

Invite a friend and register them with you on the registration form found in this newsletter or call

New Members May Join at Mid-Year!

New members that join LIR after June 30, pay a membership fee of \$25.00 for the remainder of the calendar year. Mid-year membership applies to a person who has never belonged to LIR or has not been a member for at least 12 months. A membership application form is enclosed in this mailing.

ELECTION TO BOARD OF DIRECTORS

The LIR Nominating Committee is submitting the following slate to be approved at the July 16th Membership Meeting for the Learning in Retirement, Inc. Board of Directors for three (3) year terms beginning January 2015.

David Linsenbardt (2nd 3-year term)

Robert Maxwell (1st 3-year term)

Tom Quinn (1st 3-year term)

Becky Washburn (1st 3-year term)

OFFICERS FOR 2015

APPROVED BY BOARD OF DIRECTORS

President – Judy Alexiou

Vice-President – Kathel Cooper

Treasurer – Sue Alberti

Secretary – Ellen Richardson

SUGGESTED BY-LAW CHANGE

The policy committee, in reviewing the section of the By-Laws that deals with nominations for Board Officers, noted that current wording in Article V needed to be changed. The reason being that if the President appoints a former Board member to serve as an officer for one year and that member has voting privileges, it would increase the Board of Directors from 13 members to 14. This would be in violation of the By-Laws. After much discussion, the following change to the By-Laws is being proposed and will be voted on at the July General Membership meeting:

Current Statement:

In the event the nominating committee is unable to secure a nominee from existing Board members for one or more of the executive offices, the president shall appoint a former Board member to the unfilled position. This one (1) year appointed position serves as a **voting** member.

Change last line to read: This one (1) year appointed position serves as a **non-voting** member.

Judy Alexiou, Chair of the By-Laws Committee

Farewells

Kathy Pabst served as the LIR liaison to Lincoln University for many years. She was a wonderful support for our group and has become a dear friend to many members. Kathy accepted a position outside the university. She will be greatly missed. Kathy always went 'the extra mile' to make LIR the successful organization it has become. We wish her much success in her future endeavors.

Our office manager Diana Phelps has also accepted another position and has ended her work with LIR. We wish her well. Interviews for a new office manager are in progress.

Walk in Mark Twain's Footsteps

September 3, 2014

Discover the roots of Mark Twain's genius "Tom Sawyer" style and see where he was inspired to write about his most famous characters by joining LIR on a trip to Hannibal.

Our tour of Hannibal begins at the **Mark Twain Cave**, where we will have the same exciting experience as Tom and Becky did while exploring this cave many years ago. An experienced guide will escort us on the 55 minute circular tour. Walkways are level and smooth, no stairs to navigate, and the tour is completely lighted.

Next we will drive to the limestone bluffs overlooking Hannibal and the Mississippi River, for a tour of the **Rockcliffe Mansion**. The 13,500 sq. ft. grand residence was built between 1898 and 1900 by John J. Cruikshank, Jr., a lumber baron. Rockcliffe Mansion is listed on the National Register of Historic Places.

Lunch will be served at the **Mark Twain Dinette**—Hannibal's hometown restaurant for 72 years. It is located next to Mark Twain's Home and Museum. We will have a trio of entrees from which to choose.

After lunch, we will visit the 6 buildings of the **Mark Twain Museum**. We will start off by watching a performance by at the Museum gallery by "Aunt Rachel" a former slave at the Museum gallery and then have time to tour other historical buildings and sites. There will be time to do some shopping in the many stores along Main St. Some may want to grab an ice cream cone for dessert!

Our tour will conclude with a ride on the **Mark Twain Riverboat**. This one-hour tour includes commentary of river history, legends and sights along the Mississippi River.

Bring your camera and wear sensible shoes. A light jacket or sweater is suggested as the cave is a constant **52 degrees** year-round.

Weavers of Legends and Cloth

September 17, 2014

Located only a few miles apart in Clay County, Missouri, the **James Farm** and **Watkins Woolen Mill** provide two different perspectives on nineteenth century America. While the legend of Jesse James overshadows the story of Waltus Watkins, these two sites allow us to assess their contributions to Missouri history.

We will visit the actual house where Jesse James was born. This was home to both Jesse and his brother Frank for more years of their lives than any other single place. Many of the stories which make up the legend of Jesse James occurred at this site. In the afternoon the home of Waltus Watkins will offer a view of the past which, while simultaneous to the James brothers, was a very different world.

The woolen mill is one of the best examples of a nineteenth century textile mill in the U.S. Its three floors still contain all the original machinery and the system of belts which ran them all from a single steam engine. The Watkins home will present us a very contrasting comparison to the James home which is just a few miles down the road.

This trip will offer many interesting points to consider in our view of Missouri's past.

A picnic lunch at the covered pavilion, Watkins Woolen Mill State Park, will surely add to the flavor of the day

Orchestral Masterworks with the San Francisco Symphony

Dates: Fridays, October 10, 17, 24, and 31

Times: 9:30-11:30 a.m.

Place: Missouri River Regional Library, Second Floor

The course aims to advance our appreciation of classical music using an amazing set of videos developed by Michael Tilson Thomas, Director of the San Francisco Symphony. Each class session will be divided into two parts: Part I to explore the story and significance of an orchestral masterpiece; Part II, to show the San Francisco Symphony performing the work.

Thomas uses the medium of film to take us to different places of the world to tell the story of the music. We will also be taken inside the orchestra as it performs, to allow us to see the musicians up close as they play under the direction of their inspiring director. The pieces to be explored are Beethoven's Eroica Symphony, Berlioz's Symphonie Fantastique, Shostakovich's Fifth Symphony, and Stravinsky's Rite of Spring. These are dramatic orchestral works, as are the stories behind them. We are most appreciative of the fact that the San Francisco Symphony Orchestra has granted us permission to use these videos for our educational purposes.

For more than 20 years Richard and Judy Sandler have lived in rural Missouri with their Amish Neighbors. They will share what they have learned of the Amish religion and lifestyle and also share some of their anecdotes on inter-actions with those neighbors. Come with questions and be prepared to discover and discuss a different life style. Participation in discussions will be a vital and interesting part of this class

How the News Is Covered at the Missouri State Capitol

Date: Wednesday, November 19, 2014

Times: 1:30-3:30 pm

Place: Missouri State Capitol Building, Meet Outside Room 118c at 1:30 .

Because the laws our legislators pass often have a profound impact upon our lives, as well as upon the lives of our family members and fellow citizens, we Missouri citizens need to understand what transpires in the process of making law in the General Assembly. Without the press, however, we would be unable to keep track of what our government officials are doing and would be in a poor position to help influence our government and vote responsibly when election times come.

Phill Brooks, dean of the Capitol Press Corps having covered the Statehouse since 1970, will discuss how the press covers the news in our Capitol. He serves as the Statehouse correspondent for KMOX Radio, as director of Missouri Digital News (<http://mdn.org/>), and as a faculty member at the MU School of Journalism.

Instructor: Phill Brooks

Coordinator: Warren Solomon: 893-4407,

STAY TUNED

TOUR THE NEW ST. MARY'S

We are offering a one-time free tour of the new St. Mary's Health Center sometime in October. Due to the training schedule of the hospital staff who will be conducting the tours - it's too early for us to give a definite date. This is just an FYI regarding the opportunity that will be coming up before the general public open house which is scheduled for the first weekend in November.

Watch for our email (we are going digital) regarding this "pre-public" tour of the new hospital. If we do not have your email address, please give it to us. If you have no email address, check with the LIR office or with your LIR friends in early September to get the date.

Communicate – Electronically

The Board wants to assure all members that they will have access to timely and complete LIR information. The use of electronic mail (email) is a quick way to transmit this information. For our members' security, LIR policies prohibit sharing email addresses outside of our organization. Within our organization, email addresses are not shared (via blind copy) unless committee or club members are aware of these mailings. It is important to notify the LIR Office of your current email address or any changes.

One of the goals of the LIR Website is to keep members current with timely announcements of events, trips, courses, clubs and other pertinent information that relates to our organization. The *Learning Times* will continue on a semi-annual basis to cover information in a print format. In this issue, you will note that chairmen of the committees have tried to list ALL trips, courses and clubs that are now available as we go to print. Note that several "FREE" courses are now listed in this issue. The *Active Times* (News Tribune) monthly issue has also been covering many of our activities and always has contact information. If you do not own a computer and/or are not able to visit the public library computer area to access the websites, we ask that you find an LIR friend who will share the information with you.
