

**Lincoln University School of Nursing  
RN-BSN Completion Program - Advisement Worksheet**

**Student:** \_\_\_\_\_ **Advisor:** \_\_\_\_\_

**Student I.D. #** \_\_\_\_\_ **Date Enrolled:** \_\_\_\_\_

| CORE-42 Missouri State General Education Requirement Fulfillment (42-hour block)  |                   |                   |             |          |
|---|-------------------|-------------------|-------------|----------|
| General Education Requirements  | Transfer Course # | Semester Enrolled | Final Grade | Comments |
| <i>Area 1 &amp; 2 Written (6) &amp; Oral (3) Communications (9 total)</i>   |                   |                   |             |          |
| *ENG 101 or 151H (3)  |                   |                   |             |          |
| *ENG 102 or 152H (3)  |                   |                   |             |          |
| SPT 206 (3), <i>prereq = ENG 101</i>  |                   |                   |             |          |
| <i>Area 3 Mathematical Sciences (3)</i>   |                   |                   |             |          |
| MAT 117 (3)   |                   |                   |             |          |
| <i>Area 4 Natural Sciences (minimum 7 credit hours required from 2 disciplines, 1 with a lab)<br/>+ fulfills other 5 remaining hours for the 42-hour minimum (if all 3 of these courses completed)</i>  |                   |                   |             |          |
| *CHM 103 (3)  |                   |                   |             |          |
| *BIO 208/209L (A&P) (5)   |                   |                   |             |          |
| Minimal hours from CORE-42's Areas 1-6 total to 37; however a <u>total</u> minimum of 42 hours is required for MOTR standards. That means the student must accumulate 5 add'l CORE-42-approved hours from any of the areas. For nursing, this will <i>usually</i> come from Science (such as BIO 103/104L) due to our major requirement for 16 hours of life, physical, &/or natural science. Micro does <b>not</b> count towards CORE-42 hours. List below the 5 add'l CORE-42-approved hours. Keep in mind: 3 hours for CHM + 5 hours for A&P = 1 add'l CORE-42 hour. |                   |                   |             |          |
| BIO 103 Principles of Biology (3)   |                   |                   |             |          |
| BIO 104L Principles of Biology Lab (1)  |                   |                   |             |          |
| <i>Area 5 Social &amp; Behavioral Sciences (9 hours minimum from at least 2 disciplines; 1 must be Civics course)</i>   |                   |                   |             |          |
| *Civics: HIS 205, HIS 206,<br>or PSC 203 (3)  |                   |                   |             |          |
| *PSY 101 (3)  |                   |                   |             |          |
| *Social Science equivalent (3)<br><i>SA 201 or 151H, SOC 301</i>  |                   |                   |             |          |
| <i>Area 6 Humanities &amp; Fine Arts (9 credit hours from at least 2 different disciplines)<br/>ART 100,107, 330, 331 / MUS 200, 205 / SPT 209 / ENG 200, 301H, 307, 308, 310, 311, / PHI 101, 102, 201, 203, 203H / FRE 105 / SPA 105, 205 / HIS 101, 151H, 102, 152H</i>  |                   |                   |             |          |
| Class 1 (3):  |                   |                   |             |          |
| Class 2 (3):  |                   |                   |             |          |
| Class 3 (3):  |                   |                   |             |          |
